SMVDU Allotted AIEEE Counselling Centre

Shri Mata Vaishno Devi University has started admission process for the session 2009-10. Admission to various course of B.Tech is made by the University based upon AIEEE ranking. A Large number of candidates from the Jammu & Kashmir State participate in AIEEE and they had to travel to different Centres outside the J&K State for Counselling by Central Counselling Board. The candidates belonging to Jammu and Kashmir desired to have AIEEE Counselling Centre in the state so that the aspiring candidates do not have to travel outside the state for the Counselling for B. Tech. /B.Arch. Programme.

Last year SMVD University took first step to have a Counselling Centre on trial basis in the campus and it proved successful. The admission committee of SMVDU took up the matter with concerned authorities and made efforts, as a result of which the Central Counselling Board (CCB) allotted a full-fledged Counselling Centre at SMVDU for Counselling/Admission in B.Tech./B.Arch on the basis of AIEEE 2009 ranking to facilitate the students of the State.

The Counselling Centre at SMVDU will provide Registration, filling up the choices, showing Indicative allotment (MOCK Counselling) and Locking. There will be four rounds of Counselling as directed by CCB. In first round of Counselling comprises of Registration, exercising the choice and locking, for which June 28, 2009 is the last date. First round of seat allotment will take place on 30th June 2009 and 2nd, 3rd and 4th round on July 07, July13 and July 19, 2009 respectively. Accordingly the reporting at Admission Centre will start from 1st July 09 onwards till 24th July 2009.

AIEEE rank is the only criterion for seeking admission in UG Programme at SMVDU. For further detailed information you may visit **www.ccb.nic.in**, **www.smvdu.ac.in**.
