SMVDU inks another MOU for international exposure to Students & Faculty

Katra 11 Dec. In its unflinching march towards excellence, Prof. N. K.Bansal, Vice Chancellor Shri Mata Vaishno Devi University has signed a tripartite Memorandum of Understanding (MOU) with Laval University, Quebec Canada and Prathista Industries Secunderabad India. The MOU between Laval University – SMVDU – Prathista Industries aims at developing teaching and research resources as well as the promotion of International collaboration on the basis of equality and mutual assistance. Amongst its mode of cooperation the agreement includes the exchange of Professors, students, joint research activities, pedagogical and scientific documents and joint programmes and publication.

After signing the MOU, Prof. Bansal, a renowned Energy Scientist himself commented that the motto of collaboration is to use research for marketable technology for clean environment. He emphasized that since the University has already signed many MOU's with National and International Institutions

/ Industries but this MOU will provide another significant leap to the research activities of SMVD University.

Mr. Sai Ram, CEO and MD Prathista Industries Ltd. shared his plan of setting up a manufacturing unit of Prathista Industries in J&K. Moreover, he said that MOU will benefit the students immensely by their training and recruitment at Prathista Industries.

On this occasion Prof. V.Verma, Dean College of Sciences said that this MOU will give act as a bridge between the academia and Industry as it is imperative for the students of Industrial Bio Technology to get a first hand industrial exposure.
