SMVDU Faculty Members Sweep Awards at J&K Science Congress

Faculty members from the university are regularly representing the university at prestigious National & International Conferences and have been winning awards for the university.

At the recently concluded J&K Science Congress, faculty members from SMVDU swept the awards in multiple streams from out of the 4000 papers received.

Ms. Sakshi Arora, Lecturer School of Computer Science, won the Young Scientist Award for the Best Paper in the Computer Science stream for her paper entitled *“A Greedy Heuristic for the Bounded Diameter Minimum Spanning Tree Problem”*.

Dr. V K Rai, Lecturer, School of Biosciences, won the Best Award for overall paper presentation in Chemistry for his paper entitled *“N-Hetrocyclic Carbene-Catalysed Efficient Synthesis of functionalized Enomes”*

Dr. Sadhna Tiwari, Lecturer, School of Mathematics, won the best paper award in the Mathematics stream for her paper entitled *“Watson Convolution Of Distributions”*

Vice-Chancellor, Prof. R N K Bamezai congratulated the three faculty members for their fine performance and for bringing laurels to the university.
