Vice Chancellor's Message

Established by the Shri Mata Vaishno Devi Shrine Board through an Act of the J&K Legislative Assembly in 1999, and having started teaching programs in 2004, the Shri Mata Vaishno Devi University is the one of the fastest growing young Universities of India. It has developed excellent student-centric academic system and facilities in keeping with its fully residential nature. It ranks among the top 150 Universities in India.

The focus of our endeavor is to provide excellent education to the students through undergraduate and postgraduate programs so as to create finest professionals and human beings. While striving to maintain high standards of education and best practices, the University has been making efforts to create appropriate avenues for encouraging the stakeholders to work for academic excellence and all-round personality development. Periodic review of curriculum is done on regular basis and state of the art infrastructure including a modern world-class auditorium, well stocked central library, classrooms fitted with LCD/DLP projectors, smart boards and suitable audio-videos facilities, are in place.

The University has been privileged to attract meritorious students, from over 22 states of the country, who are well mentored by the dedicated faculty. Semester and Choice Based Credit System (CBCS) have been adopted and continuous and comprehensive assessment of the learning is emphasized. The Directorate of Quality Assurance (DQA) has been established as a nodal centre for maintaining the holistic checks and balances in academic performance in the University. The Training and Placement Cell, besides making continuous efforts to enhance the placement opportunities of final year students, strives to forge alliance with corporate bodies to seek feedback and new avenues. Shri Satya Pal Malik (Hon'ble Governor, J&K), the Chairman of SMVD Shrine Board is the Hon'ble Chancellor, and the guiding spirit of the University.

All types of sports facilities are provided to the students, including separate Gymnasium for boys and girls in the lush green campus. The 24-hour Medical Aid Center of the University has qualified doctors with necessary Para-medical staff. A Super-specialty hospital; which is also a fully funded initiative of Shri Mata Vaishno Devi Shrine Board is adjacent to the University. A mini shopping center caters to the basic day-to-day needs of the students and all other campus residents. Faculty and staff of the University are considerate and provide good support to students. The University provides safe harmonious and pious academic environment for the meritorious students. The admission Brochure provides all necessary details. The University welcomes all new students to be a part of its great fraternity and mission.

Prof. Sanjeev Jain

1.0 UNIVERSITY PROFILE

Shri Mata Vaishno Devi University was established through an Act of J&K Legislature in 1999 as an autonomous, fully residential and technical University of excellence. The University gets grant and continuing support from Shri Mata Vaishno Devi Shrine Board, Katra besides University Grants Commission and J&K State government.

The University is recognized under section 2(f) and 12(B) of University Grants Commission, Govt. of India. The University has witnessed a remarkable growth and has transformed 370 acres of area in the lap of Trikuta hills, the abode of Shri Mata Vaishno Devi, into a magnificent “Temple of Learning”. The University has the unique distinction of being inaugurated in 2004 by Dr. A.P.J. Abdul Kalam (the then President of India). Outgoing students of the university have been privileged to be addressed by Dr. Manmohan Singh (the then Prime Minister of India), Dr. Narayan Murthy (Chairman Infosys), Mrs. Pratibha Devisingh Patil (the then President of India), Mr. Hamid Ansari (the then Vice-President of India), Sh. Narendra Modi (The Prime Minister of India) and Shri Ram Nath Kovind (The President of India) in the convocations held in 2008, 2009, 2011, 2014, 2016 and 2018 respectively. The University has been ranked among Top 100 Engineering Institutions & Top 150 Universities in the Country by NIRF 2018, Ministry of HRD, Govt. of India.

The University has four Faculties consisting of 15 Schools, which offer 06 Undergraduate, 10 Postgraduate and 01 Integrated Programs besides Ph.D. and Post Doctoral Research. The Academic System, Syllabi and Evaluation procedure has been adopted from Indian Institute of Technology which promotes vigorous learning and transparent evaluation mechanism. The University has signed Memorandum of Understanding with various National and International Academic, Professional and Research institutes as well as industry to augment the learning process and to develop research and development infrastructure.

About 125 highly qualified faculty members, from various parts of the country, are devoted to inspiring and guiding the students towards higher learning and research. The focus of the University is on building highly-qualified man-power with abundance of integrity and humaneness. The admission to various programs are made based on performance in competitive exams like JEE Main / CCMT/ CMAT / CAT/ MAT and/or based on the rank obtained in the Shri Mata Vaishno Devi University Entrance Examination (SMVDUEE). Students from over 22 different states of the country epitomize a healthy amalgamation of different cultures, religions and languages on the campus. The campus is a classic example of a mini Cultural India with students from far off places including South, West, North-East etc. The University has recently opened its doors for NRI/Foreign Sponsored candidates also.

Being a fully residential University, the campus provides comfortable accommodation to all the students with in-house mess facility. There are sufficient in-door and out-door sports facilities available to the residents including gymnasiums. The state-of-the-art Auditorium with seating capacity of 1000 is an excellent venue for academic, cultural and social functions. The Student Affairs Council, consisting of different Boards, Clubs and Committees provide the students with an opportunity to play a major part in transforming the way they live and learn in the campus. The campus provides an ideal atmosphere for healthy interactions and competition among students and access to faculty and professionals from corporate world and other leading institutes. The students are provided ample opportunities and

encouragement to take part in extra-curricular activities so as to develop their personalities holistically, simultaneously preparing them for the competitive world.

The University has taken initiative to create extensive University-Industry cooperation. There are many ongoing research projects with assistance from various supporting organizations. This alone speaks of the quality of infrastructure and education at this university.

1.1 LOCATION

The University is located in the lap of Trikuta Hills, the abode of Shri Mata Vaishno Devi at about 2700 feet above the sea level. The pyramidal type architecture merges beautifully with the valley like ambience of the surrounding serene hills. The slight incline of the campus provides an ideal place for endurance exercises the spiritual influence of the Divine Mother and Holy Shrine is palpable on the campus, which helps add spiritual dimension to the quality of education and life on the campus.

An early morning and late evening walk, along the Shrine Axis and other loop roads, surrounded by evenly placed lovely trees and clear sky with sparkling stars, refreshes body, mind and the soul. The University is located close to centers of commerce but at the same time distance from the maddening crowds of the major cities, which can distract students. The activities on the campus are designed to provide ample scope for interaction between students, faculty, staff and visiting guests, even beyond normal working hours to promote self-study, competition, innovation, creativity, self-confidence and nurture their hidden talent to enable students to make optimum use of their potential and shape as responsible citizens. The students are encouraged to study, analyze and understand their emotions, mind, thoughts and the consequences of their own actions. Students are our ambassadors and as excellent alumni are considered to be a great asset.

1.2 CLIMATE

The surrounding green hills and the perennial stream of Jhajjar in the east minimize the effects of hot and cold winds and produce a pollution free atmosphere on the campus. The average day temperature in summer is around 35-40°Celsius while in winters is about 10-12°Celsius. A moderately high hill full of vegetation on the Western side of the campus shields the campus, particularly the residential zone, from the long summer afternoons.

1.3 CONNECTIVITY

The University is about 7 Km south of Katra which is the base station of the Mata Vaishno Devi Shrine and is about 35 Km north of Jammu, the winter capital of J&K, overlooking the Jammu- Srinagar National Highway, is accessible through road, rail and air routes. The railway station at Katra was inaugurated by of Hon'ble Prime Minister Shri Narendra Modi.

2.0 VISION, MISSION & OBJECTIVES

2.1 VISION

“Establishment of a Scientific & Technical University of Excellence to nurture young and talented human resources for the service of Indian Society & world at large and preserving the integrity and sanctity of human values.”

2.2 MISSION

“Pursuit of Education, Scholarship and Research and its application to the Society at highest International levels of excellence.”

2.3 OBJECTIVES

The objectives of the University are:

- I. To provide education and training of excellent quality both at UG & PG levels.
- II. To ensure that the University achieves and maintains an international standing in both teaching and research.
- III. To promote study and research in new and emerging areas and encourage academic interaction of the faculty and students at national and international levels.
- IV. To encourage close collaboration with industry and facilitate the application of research for commercial use and for the benefit of society.

3.0 QUALITY POLICY

The Quality Policy of the University is articulated as "Harnessing excellent academic environment infused with integrity, professionalism and human values for continuous intellectual and personal development through participative and transparent mechanism." Every resident of the University is committed towards ensuring meeting the spirit of the policy. The Directorate Quality Assurance (DQA) of the University continuously monitors and develops mechanisms for achieving the same.

However, the candidates must finish their final qualifying examination including viva-voce, if any, before the date of semester registration and if granted provisional admission then same will be governed as explained in [Section 5.2 \(b\)](#)

5.6 Eligibility Criteria for Admission to Ph.D. Program in various Schools

The candidates may apply for admission to Ph.D. program in the following Schools:

Computer Science & Engineering

Electronics and Communication Engineering

Mechanical Engineering

Physics

Biotechnology (Also in Chemistry, in the same dept.)

Economics

Energy Management

Mathematics

Business

Philosophy

A candidate for admission to Ph.D. program on Full-Time Registration Basis must have obtained Master's Degree in Engineering/ Technology/ Sciences/ Management/ Humanities & Social Sciences or in inter-disciplinary/trans-disciplinary discipline with minimum CGPA of 6.75 on a ten point scale in relative grading system or minimum CGPA of 6.00 in absolute grading system or 60% marks in aggregate of any University established by law (In order to encourage inter-disciplinary research, the SRC may also exercise desired flexibility w.r.t. the qualifying degree of the applicant(s) as found suitable.) or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions. In such case only security fee shall be refunded besides Mess charges on pro-rata basis". However, if the student cancels his/her admission after 4th semester than no recovery shall be made.

However, in case the scholarship is from a funding agency besides the University, then the norms of the funding agency will be given precedence, if available.

A student who comes from a very poor background and secures a CGPA of 9.0 and above shall be given 100% assistance. However, applicants of SMMSS under 'Poor Background' shall have to provide proof of their monthly income as on date, so as to ascertain their eligibility under the above scheme. Only, candidates having family gross annual income of Rs. 2,00,000/- (Two Lacs only) or below, shall be considered hailing from 'Poor Background'. For becoming eligible for assistantship under SMMSS, student awardees shall have to maintain highest CGPA besides no loss of the registered credits to receive the benefits of the scheme on a continuous basis.

Note: The details of SMMSS Scheme can be obtained from the Head of the concerned School.

Scholarship Scheme for Meritorious Girl Students “Shakti” is also available, the details of which can be seen on the university website

7.2 For M. Tech. Program

Based on the valid GATE score, 18 students in each stream of M. Tech. Program (CSE, ECE, M&A) shall be eligible for monthly assistantship from AICTE as per current norms of AICTE. The admitted students shall be required to complete the process of applying for Assistantship to AICTE and failure to do so or denying of Assistantship by AICTE on technical grounds shall be attributable to the student and the university shall not be liable for same. All such students shall be required to render 8 hours per week of academic support for the concerned School.

For the students of M.Tech.(Energy Systems) program, the Assistantship shall be provided by the MNRE/University on same guidelines as per MNRE/AICTE/University norms.

7.3 For Ph.D. Students

UGC-NET/GATE qualified Ph.D. students of SMVDU, eligible for registering on full-time basis, shall be eligible for an Assistantship of Rs.25,000/- per month for first two years and Rs. 28,000/- per month for next one year along with a contingency of Rs. 12,000/- per year for the initial two years and a total of Rs. 25,000/- for the third year or till the time he/she submits the Ph.D. thesis, subject to the rules and regulations in this context. The Student shall be required to render 10 hours per week of academic support for the School/Faculty/University. This will be outside his/her normal academic work. The Assistantship will continue subject to his/her satisfactory academic performance, defined by minimum SGPA of 7.50 in the preceding semester and/or his/her satisfactory performance in the Comprehensive Examinations, Research work and discharge of responsibilities assigned under the Assistantship scheme. The maximum period of the Assistantship will be 3 years for the Ph.D. program extendable by one more year subject to review of performance by the DSRC of the concerned Ph.D. Student through SRC and on the approval of the Vice Chancellor.

Non-GATE/NET qualified Candidates, admitted to the Ph.D. program under Faculty of Engineering, on Full-Time Registration basis, may be eligible for Assistant TEQIP-III project, subject to availability of funds in the project or till the completion of project, whichever is earlier.

7.4 Awards

Criteria for award of these medals/certificates are available on the University Website.

8.0 ACADEMIC FRAMEWORK

SMVDU has five Faculties namely: Faculty of Engineering, Faculty of Management, Faculty of Science & Faculty of Humanities & Social Sciences and Faculty of Nursing. Each Faculty has several constituent Schools /School in specialized areas within the Faculties. This set-up facilitates inter-disciplinary inputs, co-operation and activities.

Faculty of Engineering

School of Computer Science & Engineering
School of Electronics & Communication Engineering
School of Mechanical Engineering
School of Architecture & Landscape Design
School of Energy Management
School of Civil Engineering
School of Electrical Engineering
School of Food Technology

Faculty of Management

School of Business
School of Economics

Faculty of Sciences

School of Physics
School of Mathematics
School of Biotechnology

Faculty of Humanities & Social Sciences

School of Languages & Literature
School of Philosophy & Culture

Faculty of Nursing

9.0 INFRASTRUCTURE, SERVICES & AMENITIES

9.1 Infrastructure

Spatial Organization

The University campus has been distributed in the following zones along the Shrine axis:

- I. Residential
- II. Academic
- III. Administrative
- IV. Hostel and Sports

Residential Zone

The residential area is located in the southern most portion of the campus and is provided with a lovely fountain, lawns, gardens and a loop road with flowering trees. The University provides residential accommodation to faculty and other employees. The accommodation is available in the form of Duplex houses or apartments. A Guest House with catering facility is located in the residential zone to facilitate University guests. The Girl's Hostel, "Vaishnavi", is also located within this area.

Academic Zone

Academic area consists of buildings other than Central Library, which house the various Schools and their class-rooms, Lecture Theaters, Conference Rooms, Laboratories, Design Studios, and Reference Libraries etc. All the buildings are interconnected and have open interactive spaces. Adjacent to these are the building complex for Central Work Shop and Central Library

Administrative Zone

The administrative zone lies close to the academic zone and the average walking distance between the academic and residential zones is about five minutes only. The administrative block contains offices for the Vice Chancellor, Registrar, Academics & Research, Student Affairs, Establishment, Finance, Engineering, Security, Media Cell, Legal Wing etc. A centrally air-conditioned, state of the art Auditorium with seating capacity for 1000 persons is also located in this area.

Hostel Zone

Boy's hostels with single, double and triple seated accommodation are located at one end of the Shrine Axis so that the walking distance to the Schools is about 3 to 5 minutes. Dining facilities managed by the students (Mess Committees) are available in all the hostels.

9.2 Services & Amenities

9.2.1 Internet Connectivity & Related Facilities

Network Centre plays a pivotal role in providing the network and Internet services across the Campus with **24x7 availability throughout the campus including all offices, laboratories, classrooms, hostels and residences**. Uninterrupted high speed Internet services are provided in SMVDU campus from 1 Gbps Internet leased line link from BSNL under NMEICT. SMVDU is connected to the **National Knowledge Network (NKN)** which provides connectivity to all Universities in India including IITs, IISCs, NITs, etc. Network Centre provides individual **e-mail accounts** for each student, faculty and staff

member of the university. The network and internet services of the SMVD UnivNet are backed by state-of-the-art hardware (including multiple types of Servers, Switches, Firewall), Fiber Optic Cable based network and latest application software.

9.2.2 Central Library

Central Library is a specialized technical library. Various sections of the Central Library are Acquisition Section, Technical Section, Circulation Section, Reference Section, Periodical Section Book Bank Section, Digital Library, Reading Section, Photocopy Section and Education@UK Centre. The Central Library collection encompasses Management, Economics, Engineering, Architecture, Sciences, Philosophy, Culture, Religion, English, Dogri and Hindi Literature.

All the students and employees of the University are eligible for membership of the library. The registered members are issued bar-coded library identity cards. The categories of library members are Students; Faculty members; Staff members, and Research Scholars. The library is equipped with an Integrated Library Management software package – e-Granthalya - with all the modules for the library housekeeping operations. Users can find the latest additions of books and periodicals in the library, status of books (issued/on-shelf) and can check the account overdue against the borrower. Using e-granthalya OPAC (Online Public Access Catalogue), users can search the Library Online Catalogue by Author, Title, Subject, and Keywords. One can also search or check the same on Internet through WebOPAC with the help of e-Granthalya software. Library catalogue is automated and fully indexed. The catalogue can be browsed and searched by author, titles, and subject/keywords. The entire Library collection is Bar-coded. The Bar-coded Library cards are issued to the members in order to avail the library facilities.

Library also provides wide access to its users to online periodicals & various online information resources through the Digital Library equipped with enabled computer room. Virtual Digital Library through University webpage gives access to various online reference resources including Open Access Journals. Reprographic facilities are also available within the Library premises. Library also provides Current Awareness Services & is involved in Selective Dissemination of Information. In order to get books on loan basis (ILL) reprints of journal articles on request is possible through DELNET (Developing Library Network). One can also find out the books or journals available in various libraries in India with the help of Union Catalogue of DELNET and online reprint request facility is also possible by user through JCCC(J-Gate Custom Content for Consortium) of which library is also a member.

Library is also a member of INDEST-AICTE Consortium for subscribing to access online journals in the field of Engineering, Management, Sciences and Humanities. Through INDEST Consortium, Library has subscription based online access to various publisher journals. Besides, the library also subscribes various renowned publishers' resources. The library is also part of Shodhganga, National Digital Library (NDL). Library also facilitates anti-plagiarism through latest software.

9.2.3 Telecommunications

To facilitate the telecommunication needs of the University a state of start 4000 V2.0E simplex IP ready Siemens communication server has been installed. Facilities including online request interface, 576 Analog Extension's (Expandable up to 1392 Extensions), 24 Digital Extensions, 32 trunk lines with CLIP facility on each extension. Locking/unlocking, DND, calls Pickup, Call forwarding, Polarity Reversal; add on conference (3-Party) are provided through the EPBAX system round the clock. The section is also looking after the GSM (Voice & Data) services in the campus. Coverage on wheel (COW) facility of AIRTEL (2G/3G to be upgraded to 4G) and Reliance JIO (4G) for providing seamless coverage in the university campus has been provided. All offices, sections, hostels and residences are connected with the EPABX system through underground cable. Telecom section also enables the students in procuring mobile cell connections.

9.2.4 Medical Aid Centre

The University Medical Aid Centre provides medical services to all the employees and students of the University. The Medical Aid Centre extends facilities for the health care to the residents; services are also extended to all the inhabitants of the University, nearby villages, CRPF Camp Personals and DPS students. A well equipped clinical laboratory with Semi Auto Analyzer is functional in Medical Aid Centre. Ambulance facility is available for referring the patients to GMC Jammu/ ASCOMS Sidhra/ SMVDNSH Kakryal/CHC Katra hospital in case of emergency. Under Border Cluster scheme, on every fourth Wednesday of the month, a team of qualified personals of Health School visit the campus to provide free of cost immunization. Separate wards for male and female indoor patients are available.

9.2.5 Hostels

Office of Dean of Students Welfare is responsible for Hostel administration, welfare, conduct, discipline, health of students, fee concessions and making students' stay comfortable on the campus. Separate Boys' and Girls' Hostels are provided for the comfortable stay. There is Hostel Working Committee at the Hostel level which is composed of Warden, Hostel Secretary, Mess Secretary, Sports Secretary, Cultural Secretary, Maintenance Secretary and other representatives.

The committee is responsible to ensure smooth, healthy and active pattern of life in each hostel. For operational convenience, the Hostel Working Committee has an Executive Committee and four Sub-Committees namely Mess Committee, House Maintenance and Cleanliness Committee, Common Room Committee and Hostel Honours Committee. Hostel Rules & other details are provided in Hostel Residents Guide Book. The catering services for the students, faculty and staff have been outsourced and are being rendered by a contractor in the boys' and girls' hostels, besides this canteens and cafe are also located on the campus.

9.3 Training & Placement

University has a fully fledged Training & Placement cell consisting of Chairman Placements, Vice Chairman Placements, Faculty Coordinators, Student Coordinators, and a T&P Officer. The Training & Placement Cell assists in Summer Training/Internship and Campus Placements for the graduating students at SMVDU. Aside from inviting companies to visit the campus for placements, the T&P Cell actively interacts with each School to continuously provide opportunities to students to improve upon their Soft-Skills including preparation for interviews & Group discussions, public speaking, business communication and other aspects of personality development.

Training & Placement Officials and the Volunteers provide assistance to the recruiters for Pre-placement Discussions, conducting Tests & Interviews and arranging for excellent hospitality for the Campus hiring Team. The Hospitality and the functioning of the Placement Cell at SMVDU is applauded and well received by the visiting recruiters every year. Our main recruiters are TATA Consultancy Services (TCS), HCL, Wipro Technologies, Capgemini, Orange, Bajaj Allianz Life Insurance Co., Bharti Airtel, ITC, , Cipla Ltd., CMIE, DHLF Pramerica Life Insurance Company, Eli Lilly & Company Ltd, Indian Navy, Indian Army, Indian Air Force, Fujitsu India Ltd, Genax, Grail Research, Greyb, IBM, Tata Tele Services Ltd., L & T Infotech, Trident, ICICI Prudential Life Insurance Company Ltd., ICICI Bank Ltd, ICICI Lombard, Bosch Ltd., Water Health India Pvt. INFRASTRUCTURAL RESOURCES

State-of-the-art laboratories equipped with the 210 latest configuration Computer Systems connected to the Internet are available to ensure that students obtain complete and updated facilities. The following labs exist in the school:

- DBMS Lab
- Programming Lab
- Operating Systems Lab
- Basic Computing Lab
- ADOBE AEM
- Internet Lab

Advanced Software tools including:

- Visual Studio Dot Net Framework
- Microsoft Visio
- Oracle 11i
- Rational Rose Architect
- Netsim
- Matlab 2016

SIGNIFICANT FEATURES

- Project Based learning.
- Quizzes and Mock Tests for better Understanding of the concepts taught.
- Industry-based training on latest software's like IBM rational rose, EMC control centers and NetSim.
- Use of ERP system for interactive learning

THRUST AREAS

- Bioinformatics, Machine Learning

- Wireless and Mobile Ad-Hoc Networks
- Network Security
- Optimization and Genetic Algorithms
- Image Processing and Recognition

START-UPS BY CSE STUDENTS

STUDENTS' ACHIEVEMENTS

- Mr. Parth Gupta, of B.Tech. (Computer Science & Engg.) Batch 2014-18 secured AIR 7 in the GATE 2018 exam.
- Mr. Karan Sapolia student of 5th semester attended 3 days developers' conference on mercurial at Mozilla office Paris, 7-9 October 2016. The trip was fully sponsored by the open source community mercurial.
- Ms. Shivani Bhardwaj, the pass out student of CSE SMVDU won the Linux foundation Training scholarship for the year 2016. She was the only selected candidate from India out of the 1000 applications received by LIFT organization for this year worldwide.
- Mr. Aditya Agarwal of B.Tech. 4th Year delivered a lecture at Institute for Development and Research in Banking Technology (Established by Reserve Bank of India) on Secure Coding Practices in Mobile Applications 2016.
- More than 10 students received internship from Google Summer Code.
- Mr. Sparsh Sharma, a Ph.D. Scholar of CSE provided training to the officers of J&K police on Cyber Security 2016.
- Mr. Prateek Garg, of B.Tech. (Computer Science & Engg.) Batch 2008 scored 99.96 percentile in the GATE 2013 exam.

State-of-the-art, well equipped labs including Intel 5G & IoT Lab, Antenna & Microwave Design Lab, Analog Electronics Lab, Communication Engineering Lab, Electrical Applications Lab, PCB Fabrication, Project Lab, SMVDU Xilinx Digital Systems Lab and SMVDU Freescale Systems Lab., Research labs are established with support from UGC and DST like Microelectronics Lab and Center for Embedded Instrumentation and Networked Controls. Availability of many latest Simulation and EDA tools including Matrix Imaging Library for MATLAB, Multisim, MATLAB Lab View, CST Microwave Studio, CADFEKO, Qualnet, IC CAD Package, MEMSPRO, Xilinx, ISE, Active HDL, CodeWarrior, Kiel μ Vision,

NS2, NS3, OptiSystem V 14.0 for quality research

SIGNIFICANT FEATURES

Updated Program Curricula for B.Tech. Program with focus on core, electives and interdisciplinary studies.

M.Tech. program structure offers flexibility for choice of sub-areas for specialized study & research after completion of foundation courses.

Significant focus on Lab. work with ample time for self-study and focus on project based learning.

THRUST AREAS

Signal Processing, Multimedia Technology, Microsystems & Microelectronics, Embedded Design, Optical & Wireless Networks, Microwave Engineering.

MAJOR ACTIVITIES

Various faculty and students training program are organized regularly in the School in collaboration with agencies like IIT Mumbai & IIT Kharagpur respectively under the National Mission on Education through ICT (NMEICT), etc as well as invited experts from Alumni, Academia and industry.

Faculty members are involved in Sponsored Research & Consultancy Projects funded by UGC, ISRO, DRDO etc.

Many faculty members have received award and fellowship from various organization including Raman fellowship from U.G.C.

Various academic events and conferences are organized on the regular basis. In the recent past, Two days' workshop on "OptiSystem" a simulation tool for Research for Next generation in the Optical Communication" domain has been organized. Similarly, workshop on Network Simulator and the use of the measurement technique at the high frequency has been organized by the school. The school also organized a Two weeks workshop on "Introduction to MATLAB & Research Enhancement tool". In the recent past, one

week workshop on latest technologies such as "Emerging issues in VLSI Design, "Advanced Techniques for Next Generation Network with focused on 5G", IoT & Aerially Controlled HETNETs have been organized.

UG, PG and Ph.D. students are actively publishing research papers in journals and conferences across the globe. One of the publications of research scholar in IEEE Access journal is listed as a top 5 popular paper on entire IEEE Journal/Magazine since last 5 months.

STUDENTS' ACHIEVEMENTS

Students of the School have qualified national level exams like GATE, NET, CAT, CMAT, IAS, IPS, IES, KAS and of prestigious PSUs.

Students of the School have consistently been placed well in various organizations of repute. Of the eligible students from the current passing-out batch, more than 75% have already been placed. Our alumni are working in organization like DRDO, TCS, Capgemini, HCL, Wipro Technologies, Oranje, Cisco, Infosys, Accenture, IBM, HP, Forbes Marshall, BOSCH, L&T, Huawei, Mphasis, Polaris, Airtel, Movik, EMC² besides Civil Services (IAS, IES, IPS, KAS), Defense Services (Indian Army, Navy, Air force) and reputed PSUs to name a few. Many of our alumni are studying in Institutions of Higher learning including IITs, NITs and institutions in USA, Germany etc.

Mechatronics Lab
Tribology Lab

STUDENTS' ACHIEVEMENTS

1. Team of students participated in the SAE BAJA 2012, 2014, 2015 and 2018 (National Level Technical Event at Indore) and successfully designed and fabricated ATV (All Terrain Vehicle) on campus in the School workshop. Student have also participated in Eco-kart 2017 competition.

2. Papers presented by Faculty & Students in various National/International Conferences & reputed Journals.
3. Active participation of students in technical festivals in premier institutions of the country.
4. Good performance of students in various competitive examinations like GATE, SSB, etc.

SCHOOL'S ACHIEVEMENTS

1. Two Day DST SERB and TEQIP-III Sponsored National Workshop on "Advances in Clean Energy Conversion Technologies and Materials for Energy Storage Applications" at SMVDU from 24th to 25th January 2019 in collaboration with JNTU, Hyderabad.
2. One Week Faculty Development Program on "Sustainable Design and Manufacturing" organized by School of Mechanical Engineering, Shri Mata Vaishno Devi University, Katra from February 12-16, 2018.
4. TEQIP-III sponsored "International Conference on Mechanical Engineering and

Allied Sciences, 2018 (ICMEAS-2018) held at the Department of Mechanical Engineering, Shri Mata Vaishno Devi University, Katra, India, 14th to 15th September, 2018

5. National Conference in Innovative Trends in Mechanical Engineering" held at the Department of Mechanical Engineering, Shri Mata Vaishno Devi University, Katra, India, March 3-4, 2017

6. 2nd National Conference in Innovative Trends in Mechanical Engineering" held at the Department of Mechanical Engineering, Shri Mata Vaishno Devi University, Katra, India, March 23-24, 2018

7. TEQIP-III sponsored 3rd Industry Academia Conclave on "Bridging Gap between Industry and Academia" held on 8th January, 2019 at Shri Mata Vaishno Devi University, Katra.

Computer Lab in equipped with A0 size colour plotter with availability of software such as Autocad, Revit, Google SketchUP etc.

SIGNIFICANT FEATURES

Site Visits & Educational Tour based pedagogy.
Professional Training of one whole semester.
Constant interaction with Eminent Professionals during the conduct of Architectural Design studios.

THRUST AREAS

Human Social & Environmental Values.

Building Sciences & Services.
Sustainable Design approach.
Expression of Regional identities.
Amalgamation of Global responses.
Software for Building professionals.

MAJOR ACTIVITIES

Conduct of Guest Lectures by Eminent Architects & Planners.

Industry Institute Interactions.

Participation in various Academic National & International Architectural Design Competitions.
Participation in Conventions such as Transparency, National Association of Students of Architecture (NASA), Young Architects Festival, ZONASA etc.
Documentation of academic research work & thesis projects.
Conduct of External Jury for Architectural Design Projects.
Institutional Professional Consultancy for the Campus development of SMVDU and regional initiatives.
Faculty participation in various International Conferences in country and Abroad, Faculty Development Programs (FDP's) for constant upgradation of knowledge capital.

STUDENTS' ACHIEVEMENTS

Qualified GATE & CEED respectively in order to pursue post-graduation in SPA's, IIT's and CEPT.

Established Student Chapter of Indian Green Building Council (IGBC).

Participated in Laurie Baker Center Workshop.

Qualified GRE & TOEFL in order to pursue post-graduation from abroad universities such as University of Pennsylvania, University of Toronto etc.

Professional Training in Leading National & International Offices.

Stood 5th position in ZONASA 2014 among 30 participating colleges.

Awarded 2nd position in Architectural Quiz Competition-Archumen.

Awarded National Scholarship for interdisciplinary Literary endeavors.

Qualified 361⁰ Architectural Scholar Conference.

Executed & Installed Geodesic Dome with Bamboo as base material in SALD premises.

Organized ZONASA 2010 successfully.

SALD student's entry shortlisted in Top 5 Entries for University of Westminster (UC-Berkley) Design Trophy 2015-16 for design of a space "The Unknown Place". Designed and

executed by participation team in the SALD premises. The students are on the threshold of

winning USD 3700 for this prestigious International Competition.

INFRASTRUCTURAL RESOURCES

The School consists of the required lab. Infrastructure for hands on training to the students. This includes:

Energy Lab. with solar thermal and solar photovoltaic training kits.

Energy Simulation Lab. with Trnsys and Engineering Equation Solver software's.

SIGNIFICANT FEATURES

To provide interdisciplinary necessary input to students, in energy resources, planning, technology and economics of energy usage in various sectors.

To provide details of non- conventional renewable energy sources.

To produce highly trained technical manpower to meet the Global Climate & Energy Security challenges.

To undertake R&D to achieve energy efficiency, security that supports sustainable development.

MAJOR ACTIVITIES

The School is actively involved in conducting research in the areas of Energy, Energy Technology, Energy Efficiency, Energy Efficient Building Technology and Energy Management.

Faculty participation in various National & International conferences.

Faculty participation in various Faculty Development Programs (FDP's) for constant upgradation of knowledge.

Installation of Solar radiation resource assessment station (SRRA) at SMVDU by C-WET, MNRE, Govt. of India.

THRUST AREAS

Building energy simulation.

Energy efficiency in refrigeration & air conditioning

Global Climate & Energy Security challenges.

Comprehensive innovative solutions to various

energy and environmental challenges.

STUDENTS' ACHIEVEMENTS

Design of evacuated tube type air and water heater.

Participation in National & International conferences.

Recipient of National Renewable Energy Fellowship.

Recipient of Inspire-DST fellowship.

STUDENTS’ ACHIEVEMENTS

12 students have qualified UGC-NET examination (including 4 with JRF), 10 are pursuing PhD in different universities and 4 are in teaching profession.

Published papers in SCI/SCOPUS journals and participated various national level conferences/training programs.

14.0 STUDENTS' AFFAIRS

14.1 STUDENTS' AFFAIRS COUNCIL (SAC)

The University has the highest level of students' body called 'Students' Affairs Council' (SAC) and has its constituent boards and inter-hostel committees. The role of the SAC is to involve the students of the University in the matters considered relevant to their holistic personality growth and professional development through various activities, not related to their academic programs. The SAC is intended to provide a policy making platform for students with the support of University faculty and authorities. The constituent boards are as follows:

- Board for Hostel Management (BHM)
- Board for Sports Activities (BSA)
- Board for Cultural Activities (BCA)
- Board for Students Welfare (BSW)
- Board for Students Publications (BSP)
- Board for Professional Activities (BPA)
- Inter-hostel Disciplinary Committee
- Inter-hostel Network Affairs Committee
- Inter-hostel Finance and Audit Committee

Each Hostel has the following Committees

- Hostel Mess Committee
- Hostel Sports Committee
- Hostel Cultural Committee
- Hostel Maintenance Committee
- Hostel Welfare Committee
- Hostel Publication Committee
- Hostel Reading Room Committee
- Hostel Network Affairs Committee
- Hostel Disciplinary Committee
- Hostel Finance and Audit Committee

Hostel Affairs Committee (HAC)

The HAC is the supreme body for the management of the hostel affairs and will implement the decisions executable at its level and submit its recommendations to concerned Board and/or SAC wherever needed.

Each House has the following committees:

- House Sports Committee
- House Cultural Committee

Board for Hostel Management (BHM)

It is responsible for policy formation, coordination and review of all matters relating to the overall management of the hostels.

Board for Sports Activities (BSA)

It is responsible for policy formation, coordination and review of all matters relating to the sports activities of the university.

Board for Cultural Activities (BCA)

It is responsible for policy formation, coordination and review of all matters relating to the cultural activities of the university.

Board for Student Welfare (BSW)

It is responsible for policy formation, coordination and review of all matters relating students' welfare.

Board for Student Publications (BSP)

It is responsible for policy formation, coordination and review of all matters relating to the Board. The BPS shall provide a forum among the students for cultivating literary talent and highlight the matter of professional interest within and for SMVDU community.

Board for Professional Activities (BPA)

It is responsible for policy formation, coordination and review of all matters relating to the professional and co-curricular activities of the students.

Other than above, there are inter-hostel committees as follows:

Inter-hostel Disciplinary Committee (IDC)

Inter-hostel Network Affairs Committee (INAC)

Inter-hostel Finance and Audit Committee (IFAC)

14.2 SPORTS & CULTURAL ACTIVITIES

The office of the Dean of Students facilitates and encourages the students to participate in various cultural activities. The major activities are charted in a Cultural Calendar as per the academic session. The activities are coordinated by the President, Board of Cultural Activities (BCA). The President is assisted by the General Secretary, BCA elected by the members of the Board of Cultural Activities.

The School promotes competitive sports and games activities within the campus. The University has facilities such as Multi-purpose Gym, Badminton Courts, Volleyball Courts, Basketball Courts, Tennis Courts, Football Ground, Cricket Ground, Kho-Kho Field, Kabbadi Field and Athletic Tracks and Field.

In order to welcome the new students and in search for their extra-curricular talents, a cultural event called CONCORDANCE is organized in the beginning of every academic session in August. It is followed by TITIKSHA, the technical festival, TATVA and MANTHAN the management festival, LITLIFE, the literary festival, and SRIJAN, the architecture festival. The University organizes its annual

cultural and sports festival called RESURGENCE in which the students from various Universities/Institutions are also invited to participate and compete.

To engage the students in various extra-curricular activities, a House system is introduced. All the students across discipline are grouped into five Houses named Aakash, Agni, Jal, Prithvi, and Vayu. Such a system of classification occasions cross-disciplinary interactions among the students coming from diverse cultural backgrounds. This is also to inculcate the spirit of team work and to encourage a sense of healthy competitiveness among the students.

There are various Clubs such as Music Club, Dance Club, Dramatics Club, Quiz Club, Film & Photography Club, Literary Club, Debate Club, Adventure Club, Fine Arts Club, Hindi Club, OSUM Club and Book Club through which the students pursue and sharpen their extra-curricular talents. The Mind Meet Forum is constituted to organize panel discussions and lectures on relevant issues to create awareness among the students regarding the burning issues of national and international importance.

Moreover, the Dean of Students office organizes various workshops, lectures, inspirational talks for the benefit of the students. The faculty members are engaged in regular counseling and guidance of the students for the development of their communication and argumentative skills. The students are provided with travel allowance and other necessary kits for their participation in cultural and sports activities organized by other Universities / Institutions across country.

14.3 PUBLICATIONS

The University policies encourage student participation in bringing out publications in which students play a vital role. Apart from faculty members, students members are also included in the publication committee so that they are fully involved in bringing out various publications and organizing events for nurturing the literary and journalistic talent of the student community.

14.4 NATIONAL SERVICE SCHEME (NSS)

National Service Scheme under the guidelines of Ministry of Youth Affairs and Sports, is functional at SMVDU since beginning. Registration into NSS is compulsory for all U.G. students. U.G. students must render 40 hours of service under NSS activities. He/she can fulfill this norm in his/her first year of degree program or at the maximum in the second year. Successful completion of the aforesaid service requirements is a must for the award of the degree.

NSS activities provide the students an opportunity to develop in them sense of service, social leadership, a quality to deal with human affairs, event-organizing skills and overall personality development. By

rendering service to the social cause makes one a responsible citizen. NSS activities are based on the philosophy that since any individual grows on the resources of society, so it is ethically warranted that he/she should give back to the society whatever is possible at one's end.

14.5 ONLINE STUDENTS GRIEVANCES REDRESSAL

The University has started an “Online Students Grievances Redressal Portal” in tune with the UGC initiative. This is a new initiative with an aim to provide a mechanism for redressal of students’ grievances and ensure transparency and prevention of unfair practices. The portal enables students to register their grievances instantly and seamlessly for expeditious redressal. Students will also be able to track the status of the grievances. Complaints can be registered by a student through University login ID at osgrp@smvdu.ac.in

14.6 PROHIBITION OF RAGGING

In view of the directions of the Hon’ble Supreme Court in the matter of “University of Kerala v/s. Council, Principals, Colleges and others” in SLP no. 24295 of 2006 dated 16.05.2007 and that dated 8.05.2009 in Civil Appeal number 887 of 2009, and in consideration of the determination of the Central Government and the University Grants Commission to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students, the University Grants Commission, in consultation with the Councils, brings forth this Regulation.

Ragging in any form is banned in SMVD University and we follow zero ragging policy and zero tolerance towards ragging. The University treats ragging as a cognizable offence and stern action will

be taken against the offenders. To safeguard ideals of scholarship, character and personal behaviour, the University reserves the right of withdrawal/expulsion of any student at any time for any reason deemed sufficient. Ragging of any kind and of any manner is strictly prohibited as per order of the Hon'ble Supreme Court. Anybody found involved in an act of intimidation /abuse to a fresh student is liable to be prosecuted/restricted under law. For details, one is advised to see full regulations at <http://www.ugc.ac.in/oldpdf/ragging/gazetaug2010.pdf>
