

Faculty Profile
(For booklet and website)

Name: Dr. Ram Prakash

Designation: Assistant Professor

Department: School of Physics

Email ID: ramprakash@smvdu.ac.in

Contact Number and Extn.: 01991-285624 Extn : 2523

Qualification: M.Sc. (Physics), CSIR-NET-JRF, Ph.D.

Experience:

Teaching: 6 Years

Research: 13 years

Administration: None

Total: 13 years

Areas of Interest / Specialization:

1.....Materials Science

2.....Oxide Thin films and nanostructure, Dilute magnetic oxides.

Brief Bio-data:

Currently Dr. Ram Prakash is working as Assistant Professor in School of Physics, Shri Mata Vaishno Devi University, Katra (J&K) India from March 2011. Dr. Prakash completed his M.Sc. from Bundelkhand University, Jhansi (UP) India and did his Ph.D. research work at UGC-DAE Consortium for Scientific Research, Indore and submitted his Ph.D. thesis at Devi Ahilya Vishwavidyalaya (DAVV), Indore in 2008. After that he did his Postdoctoral fellowship (PDF) in department of Physics, Indian Institute of Technology, Kanpur and Changwon National University, Republic of Korea. He has published more than 30 research papers in international journals of repute. His main research interest is diluted magnetic semiconductor, oxide nanostructures and thin films. He is a life member of various professional bodies such as the Materials Research society of India (MRSI), The Indian association of Physics teachers (IAPT); Indian Physics Association (IPA); the Indian science congress association (ISCA) etc.

Research Profile

Research Projects Undertaken:

S. No.	Role	Title	Funding Agency	Current Status (Closed/ Running)
1	Principal Investigator	Synthesis and study of electronic structure of transition metal doped and undoped Eu ₂ O ₃ thin films	UGC-DAE CSR Indore	Running

Research Publications:
