Notice

(Siemens Scholarship Program 2017)

This is to inform all first year students about Siemens Scholarship program – Corporate Citizenship Initiative of Siemens India. The objective of this scholarship program is to support and promote engineering education amongst meritorious students from less privileged families. Under this initiative, Siemens would offer a limited number of scholarships by providing financial support and personality development plan for students with following eligibility:

1. **First-year students of Government Engineering colleges from the following streams:**

- **Mechanical** / Production
- Electrical
- **Electronics**/Instrumentation
- Electronics & Telecommunication
- **Computers**/Information Technology
- Instrumentation

2. **Age:** Up to 20 years

3. **SSC:** Minimum 60% aggregate

4. **HSC or equivalent result:** Minimum 50% aggregate and minimum 60% PCM aggregate

5. **Annual family Income:** Not more than `2 lakhs

About the Scholarship program:

As a responsible corporate citizen, Siemens India endeavors to support and promote technical education by leveraging its core competencies such as innovative technologies and know-how so as to produce Industry-ready technicians and engineers. The Siemens Scholarship Program for engineering students, based on the German dual education pedagogy, intends to address this gap. Through this program Siemens India offers scholarships across four years to meritorious engineering students from economically-disadvantaged families.

Additionally, internships, training, projects and mentorship provided by Siemens would acquaint these bright minds with the dynamics of the industry, thereby leading to their holistic development. The program will empower the students to pursue their education and launch a sustainable career in Engineering, R&D or Manufacturing.

Highlights

- Annual Scholarship comprises:
- Reimbursement of tuition fees (if the student is availing any other scholarship, the balance tuition fee, if any, would be reimbursed)
- Flat allowances for books, stationery, hostel, additional classes, etc.
- 50% scholarship is reserved for girls
- Holistic development program
- Scholarship subject to students clearing all subjects and scoring first class

Students are advised to have more clarity of the program by visiting www.siemens.co.in/scholarship or writing at siemensscholarship@smilefoundation.org. All interested & eligible students should contact T&P Office at the earliest possible.
