30) The Shri Mata Vaishno Devi University reserves the right to reject or accept any tender without assigning any reason what so ever and also reserves the right to re-tender at its sole discretion.

31) **Right of Acceptance**

The competent authority of University does not bind itself / himself to accept the lowest or any tender in full and reserves the right of accepting the whole or any part of the tender or portion of the quantity offered and the bidder shall provide / supply the same at the quoted rate.

32) **Indemnity and Insurance**

The successful tenderer shall keep indemnified Shri Mata Vaishno Devi University against all the losses, claims, injuries or damages to any persons or property which may arise out of or in consequences of this contract at his/her own cost.

33) **Termination of Contract**

Foreclosure in full or in part due to abandonment or reduction in scope of work:

- i) If the work is not completed even after six weeks after due date of completion, the contract shall be terminated and fresh tenders invited at the risk and cost of the contractor to an extent of 20% cost of the unfinished works. The liquidated damages and penalty imposed shall be adjusted against this amount and balance if any, shall be recovered from other dues (work done or deposit) of the contractor.
- ii) If at any time after acceptance of the tender University decides, to abandon or reduce the scope of the works for any reason whatsoever and hence not require the whole or any part of the works to be carried out, the Engineer shall give notice in writing to that effect to the contractor and the contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full, but which he did not derive in consequence of the foreclosure of the whole or part of the works.

- iii) The contractor shall be paid at contract rates full amounts for works executed at site and in addition a reasonable amount as certified by the University Engineer for the items hereunder mentioned which could not be utilized on the work to the full extent because of the foreclosure.
- iv) Any expenditure incurred on preliminary site work, e.g. temporary access roads, temporary labour huts, staff quarter and site office storage accommodation and water storage tanks.
- v) The University shall have the option to take over contractor's materials or any part thereof either brought to site provided the material conforms to specified standards or meant to be used for the work allotted.
- vi) For materials taken over or to be taken over by the University, the cost to be paid shall take into account purchase price, cost of transportation.
- vii) For materials not retained by the University, no compensation on this account will be paid any such material will be lifted by the contractor at his cost and site cleaned neatly.

34) Cancellation of the Contract in Full or in Part

- a. If the contractor: -
 - i. at any time makes default in proceeding with the works with due diligence and continues to do so even 15 days after a notice in writing from the Engineer; or
 - ii. Commits defaults in complying with any of the terms and conditions of the contract and does not remedy it within 15 days after a notice in writing is given to him in that behalf by the Engineer; or
 - iii. fails to complete the works or any part of the work on or before the date of completion and does not complete them within the period specified in notice give in writing in that behalf by the Engineer; or
 - iv. has obtained a contract with the University as a result of ring tendering or other non-bonafide methods of competitive tendering; or
 - v. The University shall cancel the contract by a written notice to the contractor and the contractor shall have no claim on any sort on this account.
- b. The University shall on such cancellation have powers to:
 - i. Take possession of the site and any materials, constructional plants, implements, stores, etc. thereon, and make out a list of such material in presence of the representative of the contractor who shall have to be present on one day notice and in case of non compliance of the notice measurements taken by the University representative, shall be considered as final and contractor will have no claim of any sort regarding this..
 - ii. Carry out the incomplete work by any means at the risks and cost of the contractor.
 - iii. On cancellation of the contract in full or in part, the Engineer shall determine what amount, if any, is recoverable from the contractor for completion of the works or in case the works or part of the works not to be completed, the loss or damage suffered by University. In determining this amount, credit shall be given to the contractor for the value of the work executed by him up to the time of cancellation, the value of the contractor's materials taken over and incorporated in the work, and use of machinery belonging to the contractor.

- iv. Any excess expenditure incurred or to be incurred by the University in completing the works or part of the works or the excess loss or damage suffered or may be suffered by the University as aforesaid after allowing such credit shall be recovered from any amount due to the contractor on any account, and if such amount is not sufficient, the contractor shall be called upon in writing to pay the same, within 30 days of the notice given to that effect by the 'Engineer'.
- v. If the contractor shall fail to pay the required sum within the aforesaid period of 30 days, the University shall have the right to sell any or all of the contractor's unused materials, constructional plant, implements, temporary buildings; etc. and apply the proceeds of sale thereof towards the satisfaction of any sums due from the contractor under the contract and in accordance with the provisions thereof.
- vi. Any sums in excess of the amounts due to the University and unsold materials constructional plant, etc. shall be returned to the contractor, provided always that if cost or anticipated cost of completion by the University, of the works is less than the amount which the contractor would have been paid had he completed the works, such benefit shall not accrue to the contractor.

35) **Force Majure** If during the currency of contract, there is any outbreak of war, which whether financially or otherwise affect the execution of the contract, the tenderer unless contract is terminated under provision of this clause shall make his / her best efforts to complete the contract. However after outbreak of such war, Shri Mata Vaishno Devi University shall be entitled to terminate the contract at any time by giving notice in writing. Force Majure is hereby defined as a clause which is beyond the control of SMVDU / Tenderer and which consequently affects the performance of the contract.

36) **Arbitration** Any dispute or difference what so ever arising between the parties relating to the work shall be submitted for arbitration to an arbitrator to be nominated by Vice Chancellor, Shri Mata Vaishno Devi University, Katra. The venue of the Arbitration shall be at Jammu.

Sig. of Tenderer
